Lifetime Antishock Carpet Warranty

Ideal for Medium and Heavy Hospitality use in Hotel Suite Rooms, Hotel Corridors, Offices, Restaurants, Retail Outlets, etc

The subfloor should be dry, smooth, flat, dust-free and resistant to compression and load-bearing. Where seaming is necessary, a seam sealant **must** be used for all such installations. Due to dye lot variations, actual material may vary slightly from the samples. Chair pads are recommended to prevent premature wear of carpet.
